Rank: **#170**

Joutarou Kuujou and his allies have finally made it to Egypt, where the immortal Dio awaits. Upon their arrival, the group gains a new comrade: Iggy, a mutt who wields the Stand "The Fool." It's not all good news however, as standing in their path is a new group of Stand users who serve Dio, each with a Stand representative of an ancient Egyptian god. As their final battle approaches, it is a race against time to break Joutarou's mother free from her curse and end Dio's reign of terror over the Joestar family once and for all.
