

# Initial D Fourth Stage

Score: **8.17**

Rank: **#444**

Takumi Fujiwara finally joins Ryouosuke and Keisuke Takahashi to create "Project D." Their goal is twofold: Ryouosuke wants to develop his "High-Speed Street Racing Theory," while Keisuke and Takumi aim at improving their driving skills by facing powerful opponents on dangerous roads. The idea of Project D is to challenge street racing teams from other prefectures to improve both their uphill and downhill records. In order to attract the attention of the best racing teams, Ryouosuke creates a dedicated website to announce the future battles of Project D and post the team's results.

The fourth season of details the hardships and successes of the members of Project D as they try to become the best street racing team outside of Gunma Prefecture.
