

Ramayana: The Legend of Prince Rama

Score: **8.39**

Rank: **#201**

Rama, the eldest prince of the Kingdom of Ayodhya, is beloved by all and the natural successor to his father's throne. However, when one of his father's wives conspires to get her son on the throne instead, Rama ends up being banished into the woods for 14 years. Accompanied by his wife, Sita, and his brother, Lakshman—Rama tries to make the most of life in exile despite his challenges.

The trio's life in the forest is interrupted, however, when Demon King Ravan sets his sights on Sita. Using a crafty plan, he manages to distract Rama and steal Sita away to his castle. Heartbroken and distraught, Rama searches every corner of the world for his wife, unaware of the lengths he will have to go to rescue her.
