

# Magi: The Labyrinth of Magic

Score: **8.01**

Rank: **#653**

A Magi is a magician whose inclination toward magic is so immense that they can be said to shape the world. With their significant influence, each Magi chooses a worthy candidate to become a king, then helps them conquer strange labyrinths called "Dungeons" and acquire the power of mythical djinns within. Above all else, the Magi supervises their elected representative as they build a country that might one day bring the world to its knees.

Aladdin is a young Magi wandering the world in search of his true self. However, his journey is not a lonely one, as he is accompanied by his friend and mentor Ugo—a djinn he summons using his flute. In his travels, Aladdin also befriends Alibaba Saluja and guides him to a nearby Dungeon. With this newfound friendship, they begin an epic adventure across the world, witnessing various irregularities that seem more frequent than ever.
