

Kuroko no Basket 3rd Season

Kuroko's Basketball 3

Score: **8.29**

Rank: **#286**

Seirin prepares to face major obstacles on their path to winning the Winter Cup, including the teams each possessing a member of the Generation of Miracles. Kuroko goes head-to-head with his old teammates once more as he attempts to show them that individual skill is not the only way to play basketball. His firm belief that his form of basketball, team play, is the right way to play the sport will clash with the talents of a perfect copy and an absolute authority.

While Kuroko tries to prove that his basketball is "right," he and the rest of Seirin High ultimately have one goal: to win the Winter Cup and overcome the strength of the Generation of Miracles, who have long dominated the scene of middle and high school basketball.
