

Nodame Cantabile: Paris-hen

Score: **8.13**

Rank: **#484**

Shinichi Chiaki conquers his fear of flying, and Megumi "Nodame" Noda's exceptional performance at a piano competition earns her an invitation to study at the prestigious Conservatoire de Paris. The pair go to Paris together to take the next step in their careers: Chiaki as a new rising conductor under the wing of the great maestro Franz von Stresemann, and Nodame as a pupil of the esteemed piano professor Charles Auclair.

But, of course, the music world is much bigger than the two of them could have ever imagined. Chiaki and Nodame, alongside old friends and new rivals, must fight and persevere to reach the dazzling musical heights that await them while never losing sight of what matters most.
