Spice and Wolf II: The Wolf and the Amber Melancholy

Score: **7.86**

Rank: **#909**

Traveling merchant Kraft Lawrence and wolf deity Holo sit down to have dinner with Norah Arendt, a young shepherdess who helped them smuggle gold. Holo's dislike of Norah—due to both the latter's profession and her closeness with Lawrence—prevents her from enjoying her meal.

When Holo falls ill from fatigue, she is cared for by Lawrence, who frets over the health of his dear companion. As she regains her strength, Holo reminisces about the adventures they had together.
